NOTICE OF AVAILABILITY

The following resolution will be on the agenda of the Commission's August 18, 2016, meeting:

- [Draft Resolution T-17526](#) - Approves Cox California Telcom, LLC's (U-5684) request to opt out of its Carrier of Last Resort (COLR) responsibilities.

<http://www.cpuc.ca.gov/general.aspx?id=1100>

On August 18, 2016, the Commission may vote on this resolution, or it may postpone a vote until later. When the Commission votes on a draft resolution, it may adopt all or part of it as written, amend, or modify it, or set it aside and prepare a different resolution. Only when the Commission acts does a resolution become binding on the parties. The conformed resolution, when adopted by the Commission, will be made available at the same website.

Pursuant to Public Utilities (PU) Code 311 (g), the draft resolution is available for public comments. Comments shall focus on factual, legal, and/or technical errors in the draft resolution. Comments must be limited to five pages in length and shall include a subject index listing the recommendations to the draft resolution, a table of authorities, and an appendix setting forth the proposed revised findings and ordering paragraphs.

The date of submission is the date the comments are received by the Communications Division. Parties must serve a copy of their comments to the Communications Division staff representatives (Richard Maniscalco, rcm@cpuc.ca.gov and Felix Robles, fvr@cpuc.ca.gov, who will post the comments at the link above), on the same date that the comments are submitted to the Communications Division.

Comments must be received and served on parties (see attached list) no later than July 29, 2016, (which is 15 days from the date of this mailing). Reply comments may be submitted on or before August 3, 2016 (5 days after opening comments are submitted), and shall be limited to identifying misrepresentations of law, fact, or condition of the record contained in the comments of other parties. Replies shall not exceed three pages in length and shall be submitted and served in the same manner as opening comments.

Late-filed opening comments and/or reply comments will ordinarily be rejected. However, in extraordinary circumstances, a request for leave to submit comments or replies late may be filed together with proposed comments/replies. An accompanying declaration under penalty of perjury shall be submitted setting forth all the reasons for the late submission.
